Calling all youth and play groups in North Manchester!

Young Manchester and GMYN are working to complete a review of the youth and play provision in North Manchester on behalf of Manchester City Council. Drawing on previous reviews, speaking to yourselves and young people, this review will help build a better picture of North Manchester and identify needs to decision-makers and local funders.

We would really appreciate it if you could please complete this short survey (10 questions!).

Alternatively, contact Hasaan (h.amin@youngmanchester.org) who can arrange a time to chat through the survey and fill it out with you!
